Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. Take two snarky octogenarians, throw in a 20-something smart aleck, add a dash of other entertaining people and combine them all with a mumble-mumble-aged woman who misses nothing, and what do you get? Conversations worth remembering. "Words From the 'Rents" is a collection of conversations between author Kimberly Adams-Francis, her parents, her daughter and other cast and crew members. Proving that art does imitate life, Adams-Francis paints a picture of what life with Skip and Mary Belle must have been like growing up and how odd senses of humor seem to run in families.
